Manufacturing Light	\$10.00	2 / 4 tube fixtures with electronic ballasts

This rebate program starts July 1, 2007, and will run through June 30, 2008, or until all funding is gone. All items must be purchased in Hawarden and a sales receipt is needed showing the item, the efficiency rating, the cost, and where it was purchased. The rebate is given in script money and cannot be used toward utility bills.
